Please check all university websites for accurate eligibility requirements, deadlines, & updated information.

FAFSA / TASFA is typically required before financial aid can be offered.

Many of these are "Last Dollar Scholarships" meaning all other financial aid will be used before these are applied.

Will only cover tuition - not applicable for dorm/ meals/ books. Check individual program sites to confirm.

This may not be a fully inclusive list, there may be others, please do your own research to determine. Many local community colleges offer free tuition programs for students within their districts too.
